CITY OF WINDHOEK TARIFF APPENDIX

Basic Rules and Notes applicable to the Approved Tariffs valid from July 2009

The following basic rules and conditions are attached to the schedule of approved tariffs:

- 15% VAT and ECB Levy is not included in the tariffs
- Industrial consumers with own 11 kV equipment qualify for a 2, 5% discount on the approved charges.
- Old Age Homes qualify for a 40% discount on the approved charges
- The charges are applicable as from July 2009 account.
- Time of Use Tariffs can only be charged if correct metering equipment is installed, otherwise seasonal tariffs will be charged.
- The City will convert customers from seasonal to TOU as meters are replaced.
- The supply of services to all **residential account holders** is **zero-rated** for VAT purposes.
- The supply of services to all **non- residential account holders** is rated at **15%** for VAT purposes.
- The ECB Levy is an exempt charge for VAT purposes.
- The monthly availability charge for **all vacant land** (residential land included) is not regarded as an incidental supply to the supply of land, and is therefore rated at **15%** for VAT purposes.
